

BIG MOVE #6:

Improve Connections to Major Destinations

Overview

On Board will improve connections to major regional destinations including McCarran International Airport as well as major job centers and event venues. These routes will be designed to connect residents and visitors directly to important locations using a combination of express bus routes, commuter services, and game day/event shuttles.

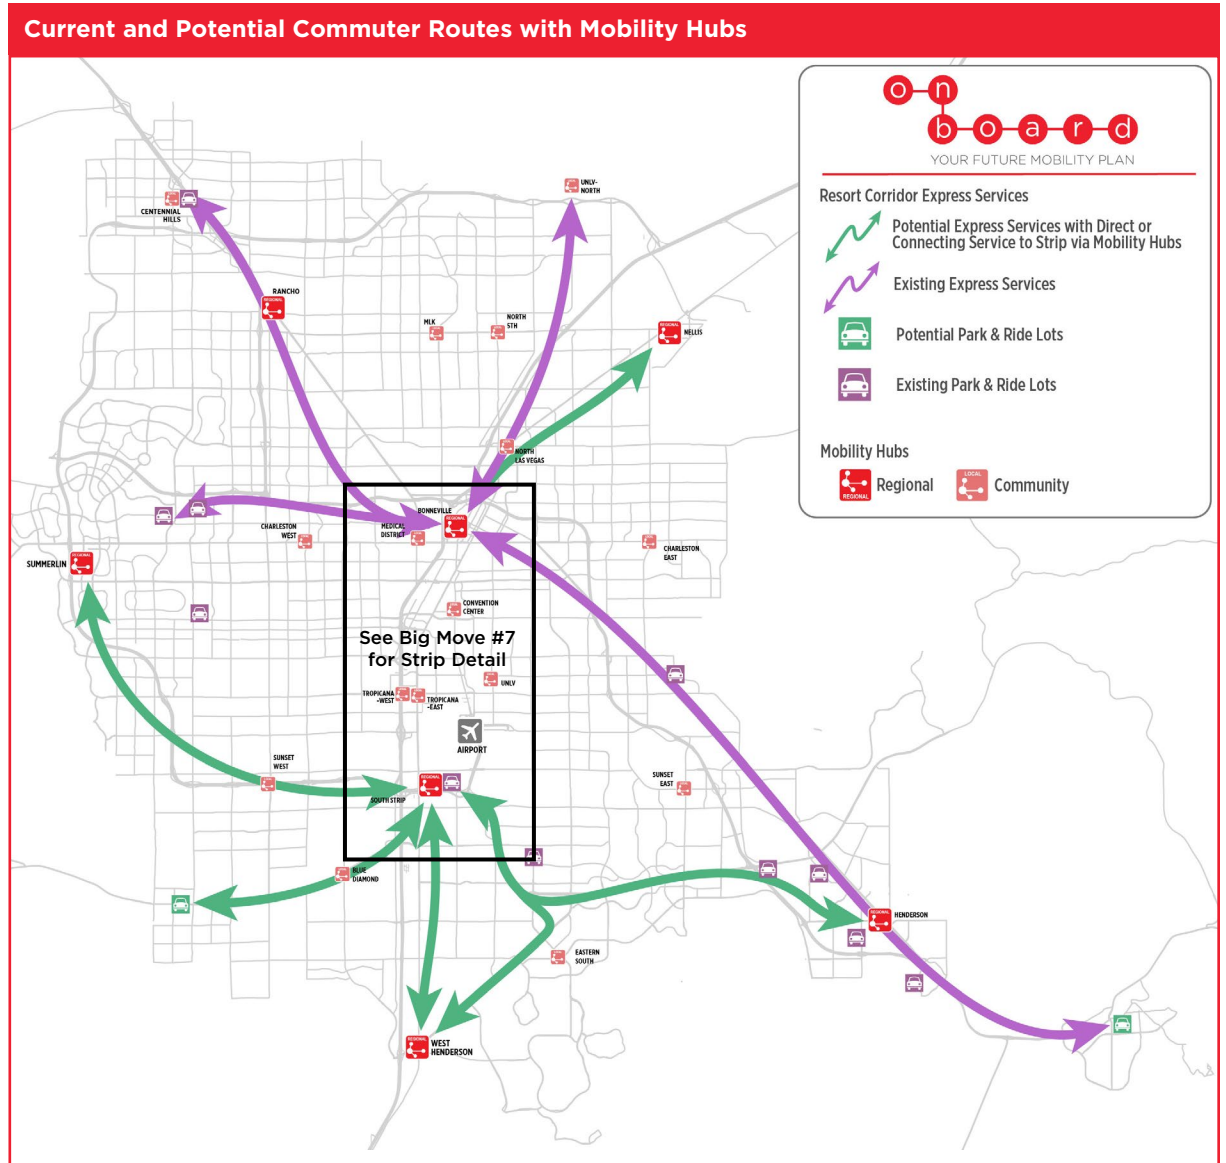

You told us...

Identified "major destinations" as preferred locations for better service **23%**

Source: RTC OnBoard User Survey, 2017

Identified "frequent and fast bus service" as most important service improvement **34%**

Source: RTC OnBoard Vision Survey, 2018

Projects and Programs

Providing improved regional connections to major destinations will consist of implementing a variety of additional services:

Improve Airport Service and Connections

- Extend SDX Route to Airport
- Develop Airport Mobility Hub (TIBP: McCarran Multimodal Transportation Center)
- Serve Both Terminals With All Airport Connections
- Improve Transit-Related Wayfinding and Onsite Information

Implement Express Routes to Resort Corridor or Downtown

Improve Commuter Facilities & Services

- Develop Park and Ride Lots w/ Express Service Connections to Major Destinations

Provide Game Day and Major Event Shuttles

Key Benefits

All mobility strategies generate benefits for individual travelers, the regional economy and the environment. The graphic below provides a relative scale of the benefits.

Effectiveness in Addressing Regional Priorities

Improving Connections to Major Destinations will directly help achieve the following priorities identified through extensive public outreach with nearly 80,000 people and multiple surveys that had almost 25,000 combined responses:

REGIONAL MOBILITY PRIORITIES

1	Improved Road & Transit Safety	
2	Fewer Traffic Jams	
3	High Capacity Transit (including light rail)	
4	Better Connectivity	
5	Well-Maintained Roads	
6	Frequent Bus Service	
7	More Transportation Choices	
8	Expanded Service for Seniors, Veterans, & People with Disabilities	
9	Improved Job & Housing Access	
10	Better Walking & Biking Conditions	
11	New Modal Technologies & Investments	
12	Expanded Transit Service Area	
13	New Information Technologies	
14	Better Transit Stops & Stations	
15	Improved Transit Security
